

2018
PERFORMANCE

GTR™ 230

This punchy performance watercraft is one of the easiest ways to get into the muscle craft scene. Offering the best value in its class, it comes with a supercharged 1500 HO ACE™ Rotax® engine for both a strong power output and impressive fuel efficiency.

RIDER CAPACITY

Weight capacity 600 lb / 272 kg

DIMENSIONS

Fuel capacity	15.9 US gal / 60 L
Length	132.6" / 336.8 cm
Width	48.5" / 123.1 cm
Weight (dry)	807 lb / 367 kg
Storage capacity	30.8 US gal / 116.6 L

ENGINE

Type	Rotax® 1500 HO ACE™
Intake system	Supercharged with external intercooler
Displacement	1,494 cc
Cooling	Closed-Loop Cooling System (CLCS)
Reverse system	Electronic iBR®
Starter	Electric
Fuel type	87 octane

Black & Octane Blue ●

HULL

Type	GTI™
	• Medium-sized platform
	• Moderate V hull
	• Forgiving and nimble

ROTAX® 1500 HO ACE™ ENGINE

HIGH-PERFORMANCE VTS™
(VARIABLE TRIM SYSTEM)

iBR® (INTELLIGENT BRAKE & REVERSE)

DRIVING CENTER WITH ECO® MODE

FRONT STORAGE

FRONT STORAGE TRAY (ACCESSORY)

ENGINE

1,494 cc four-stroke, Rotax® with three cylinders in-line and four valves per cylinder

Equipped with Advanced Combustion Efficiency (ACE™) technology, this powerful engine comes with a maintenance-free supercharger* and external intercooler and is optimized for regular fuel for lower fuel cost.

iTC™ (Intelligent Throttle Control) system

Operating electronically, this advanced throttle system starts you in neutral for easier dockside starts. It also features activity-specific Touring, Sport and ECO® modes that can all be set to accommodate your riding style. The result is a more responsive, more intuitive ride.

iControl® Learning Key®

The programmable Learning Key allows you to limit the performance of the PWC based on rider skill-level.

D-Sea-Bel™ system

Combines a series of resonators and vibration-absorbing components to make Sea-Doo watercraft some of the quietest on the water.

Closed-Loop Cooling System

Uses coolant to keep the engine running at the ideal temperature, much like a car's radiator. Also keeps out corrosive saltwater and debris.

FEATURES

iControl®

The "Brain" that integrates and controls all systems to create the best possible ride.

Touring Mode / Sport Mode

Offers a choice between two throttle responses for different riding styles. Touring mode is the default setting offering a more progressive acceleration curve for a more confident ride – ideal for cruising and 2-up riding. Sport mode can be easily activated using the Sport button. It provides full acceleration performance for a more aggressive throttle response.

ECO® Mode

This iTC function automatically determines the most economical power delivery and sets the optimal RPM for greatest fuel economy.

Touring Seat

Ergonomically designed for comfort and great looks providing ultra-plush seating for three – permits rear-facing spotter for watersports.

High-Performance VTS™
(Variable Trim System)

The VTS™ adjusts the angle of the nozzle to change the behavior of the watercraft and improve parallelism to the water. The high-performance VTS™ provides handlebar-activated quick settings.

RF D.E.S.S.™ Key

With radio frequency technology and a ball-and-socket design, the Digitally Encoded Security System (D.E.S.S.) key provides riders with easy and quick starts every time.

Interactive Multifunction Digital Information Center

VTS™, Fuel level, Tachometer, Speedometer, Hour meter, Compass, Clock, Touring mode, Sport mode, ECO® mode, F-N-R indicator and more.

PROPULSION SYSTEM

iBR® (Intelligent Brake & Reverse) system

First and only true brake on a watercraft recognized by the U.S. Coast Guard for improving boating safety since 2009. Now in its 3rd generation, the intuitive and improved iBR® allows you to stop close to 160 feet sooner¹ for greater peace of mind. All with the squeeze of a lever. And with its electronic reverse, it gives you a level of maneuverability that makes docking easier.

Stainless Steel Impeller

Delivers improved acceleration, higher top speed and less cavitation.

OPTIONS / ACCESSORIES

Reboarding Ladder
Retractable Ski Pylon
Wakeboard Rack
Depth Finder
Ski Module
Dry Bag
Ski Tow Eye
Front Storage Tray
12-Volt Outlet and Installation Kit
Safety Equipment Kit
Bilge Pump Kit
Sandbag Anchor
Fire Extinguisher
Snap-in Fenders and Installation Kit
Sea-Doo Move Trailer
Watercraft Cover

WARRANTY

BRP limited warranty covers the watercraft for one year.
